This could happen to you.

I was barely sitting down when I heard a voice from the other toilet saying:
'Hi, how are you?'

I'm not the type to start a conversation in the restroom but I don't know what got into me, so I answered, somewhat embarrassed,
'Doin' just fine!'

And the other person says:
'So what are you up to?'

What kind of question is that? At that point, I'm thinking this is too bizarre so I say:
'Uhhh, I'm like you, just traveling!'

At this point I am just trying to get out as fast as I can when I hear another question.
'Can I come over?'

Ok, this question is just too weird for me but I figured I could just be polite and end the conversation. I tell **them**
'No..I'm a little busy right now!!!'

Then I hear the person say nervously...

'Listen, I'll have to call you back. There's an idiot in the other toilet who keeps answering all my questions.'

Mobile phones, don't you just love them!
